An abstract, vibrant painting with a dense, textured surface. The colors are a mix of bright blues, yellows, oranges, reds, and purples, with some darker, muted tones. The brushstrokes are visible and energetic, creating a sense of movement and depth. The overall effect is one of intense, joyful expression.

**WRONG**

A low-angle, upward-looking photograph of two business professionals shaking hands. The hands are the central focus, clasped together in a firm grip. The person on the left is wearing a dark suit jacket, and the person on the right is wearing a grey pinstriped suit jacket with three buttons visible. The background consists of several modern skyscrapers with glass and metal facades, reaching towards a bright, slightly cloudy sky. The perspective creates a sense of height and ambition.
