SURVEY FOR THE INSTITUTIONALIZATION OF SENTRO RIZAL

RATIONALE: R.A.10066 - The National Cultural Heritage Act of 2009 mandated the creation and establishment of a Sentro Rizal whose main purpose is the promotion of Philippine arts, culture and language throughout the world. In its Implementing Rules and Regulations, a Sentro Rizal is to be established in the main office of the NCCA, as well as in countries where there are children of overseas Filipino workers who need to be educated about their roots and in developed countries where there are large Filipino communities. The Commission on Filipinos Overseas (CFO) was designated as a partner agency of the NCCA to assist in the establishment or operate a Sentro Rizal in any of the schools falling under its oversight function. Furthermore, selected government agencies -- the Department of Tourism, Department of Education, Commission on Higher Education, National Museum, National Historical Commission of the Philippines, National Archives, the National Library, Komisyon ng Wikang Filipino, Cultural Center of the Philippines, Department of Trade and Industry, and the NCCA -- will provide information materials to Sentro Rizal branches overseas.

SURVEY OBJECTIVE: To determine the feasibility of establishing a Sentro Rizal in countries where there are children of overseas Filipino workers who need to be educated about their roots, as well as in developed countries where there are large Filipino communities.

NOTE: The final modality/ies of a Sentro Rizal is/are currently under review and will depend on the responses of the potential partners with interest in “hosting” a Sentro Rizal. The possible formats include: a physical venue to be provided with multi-media materials, a web-based site with a downloadable digital collection, an on-site Kiosk or a flat-screen TV monitor equipped with a player to be provided with a digital collection of essential Filipiniana references on hard disks to augment existing library resources for students, faculty and the community.

INSTRUCTIONS: Please submit your duly accomplished form to the Commission on Filipinos Overseas – Arts and Culture Exchange/Sentro Rizal Project via email to: CFOACESENTRORIZAL@yahoo.com. **The deadline of submission is on May 20, 2012.**
