APPENDIX WEEK 40

SMALL GROUP ACTIVITIES

A. THEME-RELATED ACTIVITIES

Class Scrapbook : Our Special Activities

Materials: teacher-made blank scrapbook, crayons, markers

Number of Participants: 8-10 participants

Procedure:

1. Have children recall activities you did during the school year. Talk about these activities - what they did, who they were with and what they learned from it
2. Have them choose which one they want to draw and write about.
3. Divide the children into pairs.
4. Each pair gets to work on a page in the scrapbook.
5. Show the scrapbook to the class during Meeting Time 2.

Poster: What We Learned this Year

Materials: manila paper, ¼ bond paper, crayons, markers

Number of Participants: 8-10 people

Procedure:

1. Have children brainstorm on things they learned to do or learned about this school year. Ask questions that will help them recall.
2. Have them draw on ¼ sheet of paper.
3. Let them glue these on manila paper.

Drawing: What I liked about my school

Materials: newsprint or bond paper.

Number of Participants: any number of participants

Procedure:

Have children draw what they liked and enjoyed about school this year.

Slitbooks : I can/ I learned ... book

Materials paper, scissors, crayons, pencil:

Number of Participants: 8-10

Procedure:

1. Fold a piece of paper in half lengthwise
2. Open the paper and fold it in half widthwise then fold it once more in the same direction.
3. Open the paper to a half sheet. Starting from the folded edge, cut along the crease. Stop where the folds intersect.
4. Completely open the paper.
5. Fold the paper in half lengthwise.
6. Grasp the outer edges and push them towards the center. The opening should "poof" out. Keep pushing until you have a book of four sections.
7. Fold the pages to make a book
8. Have children draw what they have learned this school year and what they can already do now.
